

ASSEMBLY BILL

No. 1506

Introduced by Assembly Member Negrete McLeod

February 21, 2003

An act to amend Section 1724 of the Labor Code, relating to public works.

LEGISLATIVE COUNSEL'S DIGEST

AB 1506, as introduced, Negrete McLeod. Public works: locality.

Existing law generally defines “public works” to include construction, alteration, demolition, or repair work done under contract and paid for in whole or in part out of public funds.

Existing law defines “locality in which public work is performed” as meaning the county in which the public work is done in cases where the state awards the contract, and meaning the limits of the political subdivision on whose behalf the contract is awarded in other cases.

This bill would eliminate this distinction in the definition of “locality in which public work is performed” and instead define the term in all cases as meaning the county in which the public work is done.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1724 of the Labor Code is amended to
2 read:

3 1724. “Locality in which public work is performed” means
4 the county in which the public work is done ~~in cases in which the~~
5 ~~contract is awarded by the State, and means the limits of the~~

- 1 ~~political subdivision on whose behalf the contract is awarded in~~
- 2 ~~other cases.~~
